

Ultimate Lithium AA Batteries

For the countless electronic gadgets that you can't live without, get the latest lithium battery technology that's proven to be the world's longest lasting AA and AAA batteries in high-tech devices.

Energizer® Ultimate Lithium batteries deliver long-lasting power to keep up with today's high-tech, power hungry devices like digital cameras, photo flash units and handheld GPS devices.

Trailfinder 3 LED Headlight

These lights are reliable "must haves" for the everyday camper.

On the trail or at the campsite, TrailFinder® lights supply superior illumination for any adventure. Designed to help navigate the many challenges of the great outdoors, these lights are a welcome companion.

Carabiner Crank Light

Let Weatherready® be the light in your preparedness plan for emergencies. You'll be ready to light an entire room with area lights and lanterns if the power goes out. And maneuvering through a dark house will be easy with windup LED flashlights and compact lights showing the way.

Solar™ LED Lantern

Energizer® Solar™ lights leverage the latest technology to deliver advanced, renewable lighting solutions. *Energizer*'s hybrid platform harnesses the power of sunlight, with the added benefit of alternative energy through batteries, self-powered winding or car charging. Designed for both outdoor and emergency use, *Energizer* Solar lights offer a unique combination of renewable power and exceptional performance.
